When should we give the next dose? \_\_\_\_\_

All animals entering Elliott Bay Animal Hospital must have a physical exam from one of our doctors within one year, must be current on all required vaccines, and be free from internal and external parasites. If these conditions are not met, the appropriate services will be provided and you will be charged accordingly. Pets will be released only during regular office hours and payment is required at that time. If I neglect to pick up my pet within 5 days of the pick up date above, Elliott Bay Animal Hospital may assume the pet(s) is abandoned and is authorized to relinquish or humanely dispose of the pet(s) as they deem necessary.
